

Metropolitan Community College  
**CYBERSECURITY  
CENTER**

# Metropolitan Community College

Business and Industry Leadership Team (BILT)

# What is BILT

- BILT was started at the National Convergence Technology Center in 2014
- The mission is to keep up with every changing industry landscape

# Metropolitan's BILT

- Consists of Industry sectors
  - Medical
  - Utility
  - Financial
  - Defense
  - Academic
- Meets twice a year
  - Oct face-to-face
  - Apr virtually

# Metropolitan's BILT

- Current members are 10 -13
- Cybersecurity leads the way
- The meeting starts with trends
  - Academics may attend, but, cannot participate in discussions
  - Seeking what the industry is seeing
- Initial meeting
  - KUs were voted on
  - High and low scores were discussed
    - Why did members vote the way they did
    - Clarification was sought on these

# Metropolitan's BILT

- Input is used for
  - Program Improvement
  - Keeping the program current with the changing industry
- The spring meeting is used to seek trends from industry
