Garden Grove, CA 92840

Presented by:  
**Corrinne Sande**

**Wednesday, December 11, 2019 9:00am – 4:00pm**

The 2020 CAE workshop will review the required two-part application process required for designation as a Center of Academic Excellence in Cybersecurity (CAE) in Cyber Defense.

### **Application part 1: Validating the Program of Study**

Training on the process and materials needed to successfully validate your program of study before pursuing the CAE designation.

### **Application part 2: Institutional Designation**

Part 2 of the training will review the required criteria and the necessary resources, capacity and processes needed to successfully earn the CAE designation.

**Thursday, December 12, 2019 9:00am – 1:00pm**

The Application Review Workshop will greatly benefit institutions planning on submitting their CAE application by January 15, 2020. The Application Review workshop will give applicants the opportunity to receive in-person feedback from experienced mentors and reviewers.

### **Those who register for the Application Review Workshop must:**

- Currently enrolled in the Application Assistance Program
- All KU mapping and criteria must be filled in the NIETP application
- Submitting CAE application by January 15, 2020

To register for one or both workshops, complete the on-line  
registration by November 22, 2019
