# UNIVERSITY OF WISCONSIN-STOUT

University of Wisconsin - Stout Campus

University of Wisconsin - Stout is a comprehensive, career-focused, polytechnic university. Our students, faculty and staff use applied learning, scientific theory and research to solve real-world problems, grow the state's economy, and serve society. Located in scenic Menomonie, Wisconsin, our campus has a long and rich history of providing a distinct array of programs. Our students enjoy a 98.2% rate of finding employment or continuing their education after they graduate. We're proud of our tremendous industry partnerships and our contribution to the local and regional economy.

UW-Stout Computer Networking & Information Technology (CNIT) program provides students with the strong technical, communication, teamwork, leadership, and problem-solving skills that students need to succeed. Students take courses in emerging fields such as:

• Ethical Hacking and Pen Testing
• Virtualization
• Wireless Networking and Security
• Network Infrastructure
• Server Administration
• Linux/Unix Network Administration
• Cloud Computing Design, Implementation, and Security
• Python, Java, C++, Web Programming and Network Automation
• Project Management

CNIT students are required to do capstone projects with IT Industry partners before graduation. Many of our students have internship or co-op experience. The CNIT program path has been used as a program path for getting the CAE designation in November 2017.

DESIGNATIONS

• **CAE - Cyber Defense Education**
