NSU campus

Nova Southeastern University (NSU)'s College of Engineering and Computing (CEC) is situated in a sprawling, 314-acre Fort Lauderdale-Davie campus. NSU, established in Fort Lauderdale, Florida in 1964 as a small college with some revolutionary ideas, currently has approximately 24,000 students and 172,000 alumni. NSU is classified as a research university with "high research activity" by the Carnegie Foundation for the Advancement of Teaching, and is one of only 50 universities nationwide to also be awarded Carnegie's Community Engagement Classification. It is the largest private, not-for-profit institution in the United States that meets the U.S. Department of Education's criteria as a Hispanic-Serving Institution.

Designated by NSA/DHS as a National Center of Academic Excellence in Cyber Defense Education (CAE-CDE) since 2005, NSU is a recognized regional and national leader in cybersecurity education. Our distinguished faculty engage students in a unique, interactive learning environment that facilitates academic excellence and prepares our students for their future careers while they earn a B.S., M.S., or Ph.D degree, especially in our cybersecurity programs.

NSU offers three graduate degrees focused on cybersecurity: M.S. in Information Assurance & Cybersecurity (Technical with focus on Network Security Engineering); M.S. in Cybersecurity Management (Managerial with focus on Security Policy Development and Compliance); and Ph.D. in Information Assurance.
