UNIVERSITY OF ILLINOIS AT SPRINGFIELD

UIS Campus

Located in the state capital, the **University of Illinois Springfield (UIS)** is one of three members of the University of Illinois system. The University serves approximately 5,000 students in 22 graduate and 30 undergraduate programs. The academic curriculum offers students a strong liberal arts core, a wide range of professional programs, and close faculty interaction. Making the most of its location in the state capital, UIS is broadly engaged in public policy and service. Its diverse student body includes traditional, non-traditional, and international students. Twenty-five percent of majors are in 17 undergraduate and graduate online degree programs and the campus has received several national awards for its implementation of online learning. UIS faculty are committed teachers, active scholars, and professionals in service to society.

The UIS Computer Science Department offers programs in Information Systems Security, Computer Science, and Data Analytics. The department prides itself on its small class sizes and distinguished faculty dedicated to research and teaching. Our classes are offered both online and on-campus in interactive virtual environments that enrich student experience and facilitate active learning. Our programs are known for their diverse curriculum, cutting-edge courses, student-centered learning, return on investment, and for producing well-prepared graduates for both professional careers and graduate schools. Students participate in cybersecurity competitions, work on real-life problems, and engage in research projects.
