## CAE KU Mapping & Criteria Workshop

at Coastline Community College's

Garden Grove Center

12901 Euclid Street

Garden Grove, CA 92840

This workshop will cover how your institution can apply to become a Center of Academic Excellence in Cybersecurity (CAE). Topics of discussion will include the NSA's expectations with regard to meeting Program Criteria and Knowledge Unit mapping. The workshop will also outline the application process and cover frequently asked questions.

Please note that a CAE Application Checklist must be completed prior to attending the workshop. Find the checklist here:
