

Come Together

At the 7th Annual Women in Cybersecurity (WiCyS) Conference

AURORA, CO | MARCH 12-14, 2020

WiCyS is the premier event to RECRUIT, RETAIN and ADVANCE women in cybersecurity.

WiCyS brings together women in cybersecurity from academia, research, government, and industry. Beyond the annual conference, WiCyS is a community of ENGAGEMENT, ENCOURAGEMENT and SUPPORT for women in cybersecurity.

CYBERSECURITY VENTURES

Women in CyberSecurity (WiCyS) is the premier organization with national reach dedicated to bringing together women in cybersecurity from academia, research and industry to share knowledge, experience, networking and mentoring.

Initiated in 2013 by Dr. Ambareen Siraj of Tennessee Tech University through a National Science Foundation grant, WiCyS has become a non-profit organization offering many benefits for its members.

The WiCyS Conference is an excellent opportunity for companies to connect with women students and professional candidates to recruit them into cybersecurity jobs! More than half the attendees are students seeking opportunities who have been accepted through the WiCyS scholarship program that sponsorships help to support.
