Credit Transfer Agreement

As a **CAE Institution**, we are kindly requesting information from you on **cybersecurity credit transfer opportunities** to your institution. The data collected from the survey will help us create a **Cybersecurity Credit Transfer Agreement (CTA) Database** that will serve the NCAE-C community. The CTAs are expected to help recruit more students into CAE programs and create more collaboration opportunities across the CAE and K12 community.

To complete the survey, you will need to have the following information available:

- Contact information for your CAE program or academic unit;
- Cybersecurity Credit Transfer Agreements or Course Mapping between 2-year to 4-year CAE programs;
 - Formal agreements between schools/institutions for Cybersecurity courses, **OR**
 - Course mapping for Cybersecurity courses;
- K12 to CAE institution Cybersecurity Credit Transfer agreements (if available such as CTE, Dual Credits);
- URL for any cybersecurity credit transfer agreements that are available online.
