

Georgia's Technical College System-Wide transfer agreement with Augusta University's School of Computer and Cyber Sciences: AAS-BS Cybersecurity Pathway

Michael Nowatkowski

Augusta University

Gursimran Walia Augusta University

Jim Poarch
Augusta Technical College

Who we are

- Augusta University School of Computer and Cyber Sciences
 - Gursimran Walia, Professor and Associate Dean of Academic Affairs
 - Michael Nowatkowski, Professor and Head of the Cyber Programs of Study

Augusta Technical College

- Jim Poarch, Department Head and Cybersecurity/Director
- Tammy O'Brien, Dean of School of Cyber and Design Media

Augusta Advantage Strengthening Transfer **Pathways** locally

Augusta University:

- "nearly one in three new students enrolling as a transfer student each fall semester"
- Student profile is 63% female, 42% local students, 26% first-generation and 39% underrepresented minority
- BS-Cybersecurity program 1/3rd of students are transfer students
- Augusta Technical College
 - Students profile is 62% female, 55% Black

AAS-BS Transfer

- 2022-2024: 41 AAS-BS transfer students from ATC to AU's School of Computer and Cyber Sciences
- AU and ATC signed the "Augusta Advantage" agreement in 2023 guaranteed admissions to AU for ATC A.S. or AAS graduates
 - AU: https://www.augusta.edu/campaign/augustaadvantage
 - ATC: https://www.augustatech.edu/augustaadvantage/augustaadvantage-overview.cms

History of AU-ATC Transfer Agreements or Collaboration

- AAS- BS in Information Technology [2020]
- AAS-BS in Cybersecurity [2023]
- Revised AAS-BS in Cybersecurity in 2024 [the current articulation]

- Key Changes, updates and lessons learned through the process
 - AU's BS-IT program with "Cyber" concentrations evolved into BS-Cybersecurity degree;
 - TCSG standardized the cybersecurity curriculum across all 22 colleges
 - Mr. Poarch (ATC Chairperson) serves as the Cybersecurity Chairperson for the TCSG CIST IFCC (Instructional Faculty Consortium Committee).
 - 72 hours IS23 Cybersecurity Degree and 60 hours CY13 Cybersecurity Degree
 - CAE-CD designations (AU and ATC)
 - Challenge Exams and Repeated Courses

AAS-BS Cybersecurity Articulation Agreement

(Signed 2024 by ATC and AU)

AAS-Cybersecurity course	BS-Cybersecurity course
CIST 2742 – Beginning Python Programming	AIST 2110- Principles of Scripting
CIST 2602 – Network Security	CYBR 2600- Introduction to Networking and
	Cybersecurity
CIST 2452 – Cisco Switching, Routing & Wireless Essentials	AIST 3310- Advanced Networking
CIST 2613- Ethical Hacking and Penetration Testing	CYBR 3100- Introduction to Defensive Cyber Operations
CIST 2614- CCNA Cyber Ops	CYBR 3200- Cyber Network Defense and Counter Measures
CIST 2431- UNIX/LINUX Introduction	AIST 3AAA- UNIX/LINUX Introduction

Additional approved occupational courses (BS-Cybersecurity free electives)

AAS-Cybersecurity course	BS-Cybersecurity free electives
CIST 1001- Computer Concepts	AIST 1AAA – Computer Concepts
CIST 1122- Hardware Installation &	AIST 1AAA – Hardware Installation & Maintenance
Maintenance	
CIST 1601- Information Security Fundamentals	ELEC 1AAA – Information Security Fundamentals
CIST 1602- Security Policies & Procedures	AIST 1AAA–Security Policies & Procedures
CIST 2411- Microsoft Client	AIST 2AAA – Microsoft Client
CIST 2451– Introduction to Networks-CISCO	ELEC 2AAA – Introduction to Networks-CISCO
CIST 2601- Implementing Operating Systems	ELEC 2AAA-Implementing Operating Systems
Security	Security
CIST 2611- Network Defense and	ELEC 2AAA – Network Defense and
Countermeasures	Countermeasures
CIST 2612- Computer Forensics	ELEC 2AAA – Computer Forensics

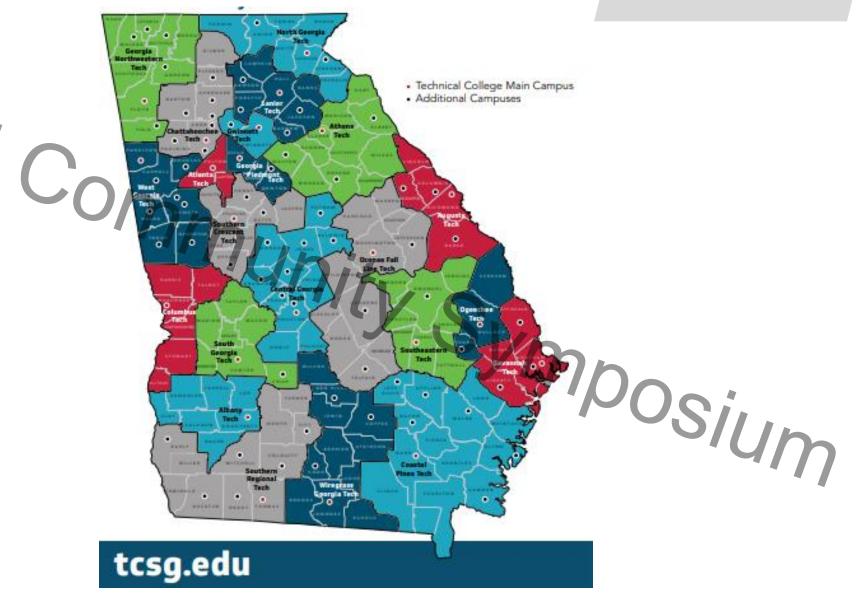

institutions

Cyber Workforce and Education Pathway

We are strengthening the transfer pathways for Georgia's technical colleges and Augusta University's School of Computer and Cyber Sciences.

Cyber Workforce & Educational **Pathway** Workshop (March 15th, 2024)

CWEP 2024

https://www.augusta.edu/ccs/conferences/cwep/aboutcwep.php

- 100+ Attendees included
 - VPs, Deans and Cyber Instructors from AU, ATC and TCSG institutions
 - Lynne Clark: National Centers of Academic Excellence in Cybersecurity (NCAE-C)
 - Dr. Yair Levy: CAE Community of Practice in Cyber Defense (CoP-CD) Initiatives
 - Local CSRA employers of AAS and BS-Cybersecurity graduates
 - Admissions and Transfer support services
 - Curriculum, student experience discussion sessions
 - Tour of GCITC, SOC and Cyber Range

Partners

- Augusta University
- Augusta Technical College
- Georgia CyberInnovation and TrainingCenter
- Georgia Bureau of Investigation (GBI)
- Savannah River National Lab (SRNL)
- Security Operational Center (SOC)

IS23 and CY13 comparison for Statewide Articulation with AU

TCSG Cybersecurity Curriculum: 60 vs. 72 credit hours

IS23 CYBERSECURITY DEGREE 72 HOURS (Articulates) (15 hours required core) **CIST 1001 CIST 1112 CIST 2451 CIST 1601 CIST 1602 CIST 2601 CIST 2602 CIST 2611 CIST 2612 CIST 2613 ELECTIVE CIST 2742 ELECTIVE CIST 2614 (CIST 2640) NETWORKING ELECTIVE CIST 2411 NETWORKING ELECTIVE CIST 2431 NETWORKING ELECTIVE CIST 2452**

CY13 CYBERSECURITY DEGREE 60 HOURS (Articulates) (15 hours required core) **CIST 1001 CIST 1112 CIST 2451 CIST 1601 CIST 1602 CIST 2601 CIST 2602 CIST 2611 CIST 2612 CIST 2613 ELECTIVE** COLL 1010/COMP 1000

AU Electives

AU Accepted Courses

- Annual May Workshop for continued discussion and collaboration
- Annually review the data related to student enrollment, retention, academic performance, and completion rates
- Enhance the understanding of transfer students' needs and inform strategies for supporting their success
- Faculty learning community of Cyber Instructors
- CAE support for TCSG institutions
- Internships and Scholarships
- Internships and Scholarships
 Student Support Services and dedicated advising support
